Code of Conduct for League Volunteers

The role of any head coach, assistant coach, referee, scorekeeper, timekeeper and board member in sports is a very important and influential one. PYBL has a duty to its participants to provide guidelines to ensure that all those involved within our League are acting in the best interests of the players at all times. PYBL expects everyone to conform to the ethical standards laid out in the Youth Protection section of the PYBL website.

I certify that I have read, understand, and will adhere to the PYBL web site section on the Youth Protection Program as found in www.pybl.com.
