Poway Youth Basketball League

2009-2010 Player Registration Form
REGISTRATION CLOSING ON NOVEMBER 1st

PYBL is a recreational basketball league open to boys and girls in grades 3 through 12. Our League consists of separate boys' and girls' divisions divided into grade levels. We also offer a Challenged Division for our disabled players. The season begins in early January and usually ends in March. All games are played on Saturdays and Sundays in indoor gyms located at Twin Peaks and Meadowbrook Middle Schools. There are no games scheduled on Super Bowl Sunday. Teams are formed in November with each team consisting of six to eight players of various skill levels. Players will be contacted by their coaches in early December. Practices, as scheduled by the coaches, will begin shortly thereafter. Because of the size and structure of our league, carpooling requests or requests to place your child with a specific friend or coach cannot be accommodated. Players must provide their own source of medical insurance. For further information, please see the FAQs section of www.pybl.com

WE NEED SPONSORS...

PYBL needs individuals, families and businesses as sponsors to provide financial assistance to players in need and to help offset the rising costs of our program. Please indicate your interest on the front of this form. Your donation is tax deductible. If a company is the sponsor, please include a business card along with the check. PYBL appreciates your generosity and support.

WE NEED COACHES...

We always have more teams than coaches. Please join us if you have 2 to 3 hours a week for practices and games to help out as a head coach or assistant coach. The time involved depends on the number of practices you hold. Plenty of outdoor courts exist in Poway at which to hold practices. A coaching clinic and training resources are available to help those new to coaching basketball. The time commitment is minimal, the experience is very rewarding and the time with your child is priceless. Coaches, more than any of our volunteers, help to ensure the success of our League.
